## Admission to PhD Programme, 2023-24 (July Session) : Selection Procedure

**Factors considered for selection:** The selection of the scholars is based on all the following components considered at different stages as indicated in the *Procedure of Selection*:

1. Application in the prescribed format with all necessary data and submission of further information/ data sought by the department at the time of registration and interview.
2. Performance in the U.G and P.G. degrees.
3. Performance in the interview.
4. Experience and publications to be assessed during the interview.

**Procedure of Selection (at the department level):** The selection will involve three stages.

**Stage-1:** All eligible candidates will be allowed for documents verification. A short-list of candidates for interview will be formed by considering the performance at the UG and PG. Cut-off will be decided considering the number of seats permitted by the institute or the capacity of the department whichever is lower, and applying a relaxation for different categories (OBC, SC, ST, and PWD). This is detailed in the *Procedure of short-listing for Interview*.

**Stage-2:** The short-listed Candidates in Stage-1, will be Interviewed by the Doctoral Research Programme Committee (DRPC). The DRPC will prepare a list of candidates recommending for admission to Ph.D. programme based on the performance in the interview, experience, and publications. This list will be submitted to the Head of the Department. This may be a NULL list in case no candidate is found suitable.

**Stage-3:** The Head of the Department will allocate the candidates to the Faculty members by looking into the candidate's research interest and the research area of Faculty members intending to take the Ph. D. scholars, and forward the recommendation to the Dean (A).

**Procedure of short-listing of candidates for Interview:**

**Step-1:** All the Candidates meeting the institute eligibility criteria will be called for participating in the PhD admission selection process.

**Step-2:** After the documents verification, a merit order will be formed for short-listing of candidates for interview giving weightages for different components as follows:

Undergraduate performance (First to final semester)	Postgraduate performance (First to final semester)	Total
50 %	50 %	100 %

**Step-3:** If the department has  $N$  number of seats in the Open Category (OC), then the cut-off mark ( $M1$ ) for OC will be the mark of  $(3N)^{th}$  candidate in the merit order formed in Step-3. This list ( $L1$ ) may be represented by the candidates from all categories (OC, EWS, OBC, SC, ST and PWD).

**Step-4:** The cut-off mark ( $M2$ ) for OBC candidates is fixed at 90% of the Cut-off mark ( $M1$ ) for OC. This list is  $L2$  and contains all OBC candidates having score between  $M1$  and  $M2$  (included), but limited by 3 times the number of seats available in OBC category.

**Step-5:** The cut-off mark ( $M3$ ) for SC candidates is fixed at 75% of the Cut-off mark ( $M1$ ) for OC. This list is  $L3$  and contains all SC candidates having score between  $M1$  and  $M3$  (included), but limited by 3 times the number of seats available in SC category.

**Step-6:** The cut-off mark ( $M4$ ) for ST candidates is fixed at 70% of the Cut-off mark ( $M1$ ) for OC. This list is  $L4$  and contains all ST candidates having score between  $M1$  and  $M4$  (included), but limited by 3 times the number of seats available in ST category.

**Step-7:** The shortlist of candidates for the interview is  $L=L1 + L2 + L3 + L4 +$  other student types (full-time/part-time sponsored etc.).
